

Red Wagon Meals is an all-natural meal delivery service providing great tasting meals and snacks for Monmouth County and surrounding areas. Red Wagon Meals will now be delivering our nutritious meals to the Manasquan River Yacht Club this summer for lunch.

Red Wagon Meals believes that food that is good for you, should taste good as well. That's why we make our fresh meals and snacks each day with the pickiest of eaters in mind. The online ordering process makes it easy to get exactly what you want, when you want it. Each lunch is customizable and you can even hold the tomatoes, if you'd like. Once you create an account you will then choose the Manasquan River Yacht Club as your location of choice. After that, you can pick your food, check out and that's it! All orders must be placed by 5:00 p.m. for next day delivery. You can plan for several days in advance and choose the date(s) you want your lunch delivered.

Some of the organizations currently working with Red Wagon Meals include: St. John Vianney High School, Camp Zehnder and the Red Bank YMCA Swim Team. This is a great opportunity to support a local company that believes in giving back. A portion of each lunch purchased will be donated back to the Manasquan River Yacht Club. Please contact Red Wagon Meals for any questions or comments.
