

To all who helped out - Thank You!

On Saturday 7/5, the weekly BBYRA championship racing on Barnegat Bay was co-hosted by MRYC and Mantoloking YC at MYC. We provided eight power boats, with crews, for the day. They helped set the courses on the bay, managed the courses during the races and provided safety patrol. We also provided bagged lunches for all the support personnel from all the clubs that participated. Several more members of MRYC were there, some who act as race officials each week and those who race each week.

Many thanks go out to power boats skippers Dick Carton, Win Miller, Rob Zilai, Keith Kernan, Rick Brown, Mike Scala and James McCumsey (the 8th skipper was me) and their crews, including Ken Olenyik, Rod Rupp, Bryan Smith, Jane Carton, the Miller family, Debbie Zilai, and many others.

Special thanks goes out to Suzanne Kernan and her sister Kathy for taking on, at the last minute, what might be the easiest assignment, handing out the bagged lunches in the morning! Also to caterer Jeannie Hulse for making and delivering to MYC 90 bagged lunches.

Last, but by no means least, a big thanks to Jack & Barbara O'Dell, brave "tennis people" who came out to support MRYC on the bay, and crewed all afternoon with me. Jack & Barbara got a crash course in managing sailboat races and can now and forever be considered "sailing people", too!

I can't mention everyone, but thanks to all who helped out! You did the club proud!

Regards,
John Deitz Rear Commodore

And a big thank you to John Deitz for orchestrating this event for MRYC!!!!
